

Congregation Beth El, a Conservative, Egalitarian synagogue, offers not only daily opportunities to pray, but a vibrant religious school, preschool and adult education program as well. Our Sisterhood and Men's Club have many programs throughout the year. Tikun Olam strives to support the local community and charities world-wide. These are just a few of the reasons we'd like you to join Beth El and see for yourself all that we have to offer.

2017-18 New Member Incentive

Congregation Beth El is offering a new program to new members this year.
