Children's Shabbat Services

Children's Services will take place throughout the year each Saturday morning in the Music Room at Congregation Beth El.

10:30 AM - 12:00 PM

Join us for Kiddush immediately following services.

Join Peri Cook as she leads the Children's Services each Shabbat with special activities and stories based on the weekly parsha.

Peri pulls ideas from the torah readings each week and applies them to a craft, group activity or story telling to help the children connect to the parsha and their Judaism.

Peri has designed Saturday morning Services to be all about Shabbat - using books and a Shabbat-friendly craft and circle time, creating a wonderful sense of community. If the weather permits, there is outdoor play time too.

Come join us!

**THE
WOMEN'S BALCONY**

When the women's balcony in an Orthodox
synagogue collapses, leaving the rabbi's wife in
a coma and the rabbi in shock, the congregation
falls into crisis. Charismatic young Rabbi David
appears to be a savior after the accident, but
slowly starts pushing his fundamentalist ways
and tries to take control. This tests the women's
friendships and creates an almost Lysistrata-type
rift between the community's women and men."

ANNUAL HOLOCAUST COMMEMORATION

The 35th annual Holocaust Commemoration, sponsored by the Town of Fairfield, will be held at 7:30 PM on Wednesday, April 25th, at First Church Congregational, 148 Beach Road in Fairfield.

The Commemoration is always a meaningful and moving remembrance of the millions of Jews and non-Jews who lost their lives during the Holocaust. While sponsored by the Town of Fairfield, the Commemoration is truly a regional event, attended by hundreds not only from Fairfield but also from all of its surrounding towns.

Featured this year will be musical selections by the Fairfield Warde High School Chamber Orchestra and the Chamber Singers of the Fairfield County Children's Choir. The speaker will be Endre (Andy) Sarkany, who was born in Budapest, Hungary and, as a child, lived in the Budapest ghetto. Mr. Sarkany lived through not only the Nazi occupation of Hungary but also the subsequent Communist regime, before escaping from Hungary after the Hungarian uprising in October, 1956. He is now a resident of New Haven.

This Commemoration was established by the late Eunice Schine Postol. In the winter of 1983-84, when she was a newly-elected Selectman of the Town of Fairfield, Eunice responded to the call of the United States Holocaust Memorial Council that Days of Remembrance of the Holocaust be observed in communities across the nation. Eunice served for six years as chair of the committee which organizes the annual Commemoration. Today, the committee, which reflects the diversity of the larger community and includes members of many different faiths, is co-chaired by George Markley, a member of Congregation B'nai Israel, and Father Charles Allen, University Chaplain and Special Assistant to the President at Fairfield University. Serving on the committee are a number of Beth El members, including Rabbi Marcelo Kormis, Carole Rubin, Sam Lazinger, and Gail Bushell.

The Commemoration on April 25th is open to all

**TZEDAKAH PROJECT
CHARITY OF THE MONTH:**

MARCH 2018

ahcf
alternating heritages of childhood foundation

AHC is a rare neurological disorder in which repeated, transient attacks of hemiplegia (paralysis of a portion of the body, including the face) occur, usually affecting one side of the body or the other, or both sides of the body at once. It ranges from simple numbness in an extremity to full loss of feeling and movement. The attacks may last for minutes, hours or even days and are normally relieved by sleep. Curiously there is no cure for AHC. Ongoing research will hopefully develop treatment. Presently, medicinal treatment options are extremely limited. Though very rare, there is a local connection to the disorder. A young boy who is afflicted lives in Trumbull and is known to some of CBE Bar / Bat Mitzvah class students.

Three of our Religious School 7th Graders selected this foundation to be featured as a Charity of the Month in a class contest. Thank you to Will Meyers, Katie Friedman, and Noam Shkouni for introducing this disorder and the foundation to CBE. Their presentation won first prize. Please join us in wishing this trio a kol hakavod and support their chosen charity by donating generously.
